Holding Nothing Back, a double disc DVD package, seeks to renew young people's understanding of the concept of vocation, both generally as a response to God's action in their lives and His redeeming project in the world, and also specifically with regard to priestly and religious life.

It is a resource suited to senior secondary, university and parish based youth ministry contexts.

INTRODUCTORY OFFER : (till May 31st 2009)

\$25 for the double disc (Postage and handling is extra)
